SPECIAL EVENTS

Tauntaun Races

As a participant at the fall conference, you are invited to join in the Tauntaun Races.

A LONG, LONG TIME AGO IN A GALAXY FAR FAR AWAY...

It is a dark time for the Rebellion. Although the Death Star has been destroyed, Imperial troops have driven the Rebel forces from their hidden base and pursued them across the galaxy.

Evading the dreaded Imperial Starfleet, a group of freedom fighters, young Jedi in training led by Master Yoda and Obi Wan Kanobi, have established a new secret training base on the remote ice world of

Hoth. Here on Hoth, Tauntauns are their mode of transportation.

Join us in the **Tauntaun races**. Here young Jedi in training will race on Tauntauns to the finish line. However they face many battles with their light sabers and even battles with Darth Vader himself. The Jedi who has the force with them and finishes in first place will be promoted to a Master Jedi.

Contestants should sign up at the registration table. The event is limited to 16 Jedi. Prizes will be awarded to the top two Jedi.

Tribute to Jerry!!!

Please join us during the Social on October 26th for a special recognition for Jerry Raabe. Jerry has worked with Vocational Rehabilitation Services for over 39 years and will be retiring in January 2012. We wish Jerry the best of luck in his retirement.
